FPIC in Practice

LEARNING & REFLECTIONS

ROB SMALL / 16 JUNE 2022
FUNDING & PROJECT DESIGN

- formulation of funds
- development and budgeting
- responsiveness and adaptability
COMPETENCIES & CAPACITIES

• systems and procedures to document process
• assumptions of impartiality and the role of third parties
• resources, time, skills and willingness to develop and share information
MESSY REALITIES

• less scrupulous actors
• fear of getting things wrong
• developing and maintaining trust
• changing institutional practices
